

# FEBRUARY

Riverside Community Church

I think that's it's safe to say that we were right!

Last month, at the launch of our new sermon series "A Verse That Changed My Life", it was stated that we shared a hope that we would all be impacted by the stories of God's faithfulness, as told through people's individual lives, while utilizing their own transformational experiences with the Word of God.

If early responses are a reasonable measuring stick, it looks like we've struck a chord!

Personal testimony is a powerful thing; personal testimony about moments when the Bible has significantly impacted the literal direction of someone's life is another level of influence again.

This month we'll continue to share these stories, again through the lenses of various speakers and unique formats and perspectives.

Through all of that, our prayer remains the same - that your life's journey will richly benefit by the covering and nurture that God's Word promises.

And, for a church body that declares every Sunday: "This is my Bible, it is God speaking to me", that's a pretty big deal!

May God's Word permeate your being with truth and grace.

~ Pastor Terry
