

MAY

Riverside Community Church

The month of May will see us continue our preaching series entitled "Timely & Timeless", a chapter by chapter study of 1st and 2nd Thessalonians.

These books were written to one of the first churches in history; a church that Paul the apostle started in the Greek city of Thessaloniki. After he had left to pursue other ministry opportunities, he found himself unable to return to visit and check up on the spiritual health of this newly born body of believers.

As reports began to gradually appear, he was concerned about what he was hearing, and he feared that the church was in danger of disintegrating. They were, after all, suffering intense persecution; that, and the fact that they had much left to learn, being so young in their faith.

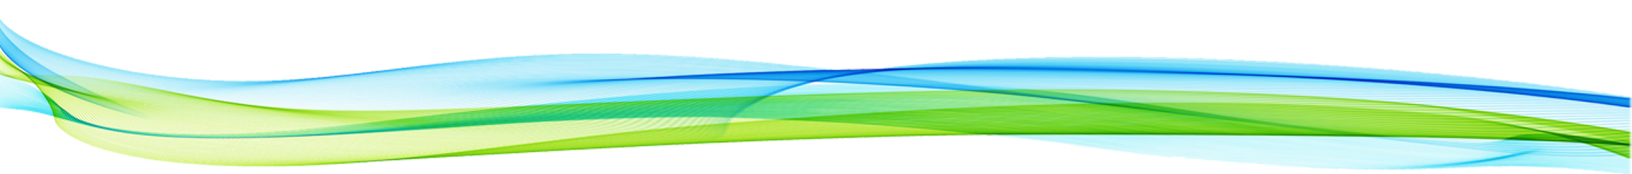

There's a reason that Paul's letters of encouragement still resonate with us today, as we can see many parallels with that early group of believers.

"Timely & Timeless" will walk us through the two letters that Paul wrote to his beloved friends, full of encouragement, also with firm and clear instructions on how to live as a follower of Christ in complex and sometimes frightening times. Sound familiar?

Please join us with hearts and ears open to travel alongside an ancient body of Christians as they learn to trust in God's promises to see them through life's challenges.

We still believe today that God's Word is indeed "Timely & Timeless".
