**Boho Vibe** - This is a wedding theme for the creative couple. Setting the scene with carefree layers of pattern, texture, color, and more alternative decorations all mixed up with a free-spirited take on the traditional wedding.

**A Little Romance** - Love out of a storybook! Featuring soft feminine colors, lush florals and greenery, flowing fabrics, soft white lights, and candles. Add traditional items like crystal and beautiful dishware to complete your fairy-tale.

**Rustic Charm** - Bring the countryside indoors! Perfect for the bride that loves a natural color pallet with plenty of organic shapes and textures. Think wood, lace and burlap, colorful wildflowers, grasses, and foliage.
