

We have just wrapped up a short, month-long series entitled "Reflections"; essentially it was Pastor Terry's observations about God's character and our responses, leading to healthy, balanced spirituality, presented in four parts (Direction, Protection, Provision, and Friendship, just to refresh your memory).

This coming Summer's series is really simply a continuation of those thoughts and observations.

About 4 1/2 years back, we presented a sermon series based on Robert Boyd Munger's beautiful little classic, "My Heart, Christ's Home."

Well, the time has come to press "repeat", and we're going to go back and re-visit the simple, timeless truths that that little booklet presents.

Briefly, the author takes the reader on a journey through the "rooms" of the human heart; the concept stems from the imagery found in Ephesians 3:17: "Then Christ will make His home in your hearts as you trust in Him." Another translation says it like this: "That Christ may settle down and be at home in your hearts by faith."

We recognize that summer may have you out and about, enjoying some time away to refresh, and we celebrate those moments with you!

In the same breath we urge you to stay connected, both with your church family and with the Lord. This series of gently encouraging messages can be a big part of that.

So, whether in person on a Sunday, or via Riverside's YouTube channel, make this series a priority.

It will do your heart good.

Have a blessed summer!
